File note

7 Aug 2026

Spoke to Ayesha by telephone at 3.15pm - 3.40pm. She confirmed that Tariq left the property last night after the order was served by the process server. She is relieved but anxious. I advised her to keep her copy of the order with her and to call the police if he returns. She asked whether the order can be extended. I explained that we will apply at the return date on 4 September 2026 if she still needs it. Client to send me the screenshots of the messages by Friday.
